Perflex® Series

»»» Above-Ground D.E. Filters

CLEANER, CLEARER WATER FILTRATION—
NO BACKWASHING REQUIRED

PERFLEX® ABOVE-GROUND D.E. FILTER SYSTEM FEATURES

- » **Diatomaceous earth (D.E.) filter** captures all dirt on the first pass, even removing dust, pollen and algae as small as one micron (100 times smaller than a grain of salt), lowering daily run times to reduce energy costs
- » **D.E. filter powder** lasts for four weeks, requiring fewer charges per season
- » **Patented Flex-Tubes™ and unique Bump feature** trap more dirt and impurities without backwashing, saving hundreds of gallons of treated pool water every season
- » **Corrosion-proof construction** offers years of dependable performance
- » **Modular platform base** provides safe, stable support
- » **Quick-connect unions** facilitate easy installation

EC30 SERIES ADDITIONAL FEATURES

- » Basic system designed for smaller above-ground pools
- » PowerFlo® LX series 40 GPM pump

EC40AC SERIES ADDITIONAL FEATURES

- » Robust system designed for large above-ground pools
- » PowerFlo LX or PowerFlo Matrix® series 1 HP pump
- » Requires only two nuts and bolts for easy maintenance access

EC50AC SERIES ADDITIONAL FEATURES

- » Exceptional system designed for the largest above-ground pools
- » PowerFlo LX or PowerFlo Matrix series 1 or 1.5 HP pump
- » Stainless clamp design for easy access to filter components
