12 lb - #52364
25 lb - #52366

SilkGuard Complete® Sticks

- All pools. All pumps. All applications.
- Contains algae fight crystals from improved performance
- Can be used with the 3-Step BioGuard Care System

4 lb
#52350

8 lb
#52352

18 lb
#52354

Super Soluble™

2 lb
#21048

5 lb
#21049

- Quick-dissolving granules
- Excellent for sanitizing small vinyl-lined pools
- Broadcast application use only
- Can be used with the 3-Step BioGuard Care System

SilkGuard Complete® 1" Tabs

4.5 lb
#52370

- All pools. All pumps. All applications.
- Contains algae fight crystals from improved performance

STEP 2 SHOCK to Remove Contaminants

Smart Shock®

- BioGuard's best to kill bacteria, oxidize, buffer and clarify your water
- Contains blue algae killing crystals
- Treat and swim in as soon as 15 minutes
- Can be used with the BioGuard 3-Step Care System

1 lb
#22947

2 lb
#22948

Burnout® 3 - Calcium Hypochlorite

- Fast-dissolving, granular chlorine shock
- Suitable for vinyl and plaster pools
- Maintains brilliantly clear water
- Can be used with the BioGuard 3-Step Care System

1 lb
#22808

Burnout® 73 - Calcium Hypochlorite

- Superchlorinator for swimming pools
- Suitable for use in all pool types
- Restores sparkle and clarity to pool water
- Can be used with the BioGuard 3-Step Care System

1 lb
#22860

Oxysheen® - chlorine-free alternative shock treatment

- Fast-acting, non-chlorine shock oxidizer that destroys contaminants
- Clears cloudy water
- Treat and swim in as soon as 15 minutes
- Can be used with the BioGuard 3-Step Care System

1 lb
#22841

Chlorinating Liquid - liquid shock

- Ready to use – No mixing is required
- Clears cloudy water
- Can be used with the BioGuard 3-Step Care System

1 gallon
#22960

STEP 3 ALGAE Killing and Prevention

Algae Complete®

- BioGuard's most complete and best performing algicide
- Dual active ingredients to both prevent and kill algae
- Non-staining and non-foaming
- Can be used with the BioGuard 3-Step Care System

Algae Complete® delivers solid results in as soon as 24 hours.

72 oz
#23075

Spot Kill®

- Especially effective on black algae growth
- Spot Kill WP is for white plaster pools only (do not use on any bleachable surfaces)

2 lb
#23107

Back Up® 2

- Non-staining formula prevents a wide variety of algae
- Powerful wetting agent and surfactant help it work into cracks and crevices
- Not appropriate for pools with attached spas or water features
- Can be used with the BioGuard 3-Step Care System

1 Quart
#23050

BECAUSE
NO ONE LIKES
ALGAE

WATER BALANCERS

Balance PAK® 100

- For raising total alkalinity
- Prevents pH change
- Prevents corrosion and vinyl liner wrinkling due to improper pH
- Dissolves quickly when added directly to water

5 lb - #23461
 12 lb - #23463
 25 lb - #23465

Balance PAK® 200

- For raising pH level
- Protects pool equipment from corrosion, plaster etching and wrinkling of liners due to improper pH
- Prevents eye irritation due to low pH

2 lb - #23467
 6 lb - #23469

Lo 'N Slo®

- For lowering pH and total alkalinity
- Quick-dissolving and easy-to-measure
- Safer to store, transport and handle than liquid muriatic acid

2.5 lb - #23475
 8 lb - #23477

Stabilizer 100

- Prevents free chlorine residual loss due to sunlight
- Reduces maintenance costs and chlorinating product consumption
- Skimmer use for outdoor, chlorinated pools only

1.75 lb - #23479
 5 lb - #23481

Balance PAK® 300

- For raising calcium hardness levels
- Dissolves quickly
- Protects pool equipment from corrosion, plaster etching and wrinkling of liners

7 lb - #23471

Pool Magnet® Plus

- Prevents and removes stains from iron, copper and manganese
- Eliminates discolored water from metals

1 Quart - #23454

Don't know if your water is properly balanced?

Take a water sample to your Holly Hill Pool & Patio for an ALEX water analysis; they'll get you on track!

WATER ENHANCERS

Pool Complete®

- 3-in-1 high intensity weekly formula adds the final touch to any pool program
- Keeps water AMAZINGLY clear
- Prevents build-up around the pool waterline
- Continuously removes phosphate to the filter

1 Gallon - #23763

Polysheen® Blue

- Highly concentrated water clarifier, no dilution needed
- Fast-acting formula that clears cloudy water
- Recommended for weekly use
- For all pool and filter types

1 Quart - #23721

Pool Tonic®

- Eliminates cloudy, hazy or dull water
- Removes phosphate and other common contaminants
- Dual-action formula treats up to 20,000 gallons

1 Quart - #23760

Power Flocc™

- Clears excessively cloudy water commonly associated with algae blooms
- Concentrated formula that works quickly
- Particles settle to bottom of the pool for vacuum removal

1 Quart - #23717

Sparkle Up®

- Works with your filter to remove tiny particles of suspended dirt, plaster, dust and more
- Restores water sparkle, keeps water clear
- Aids in removal of copper and iron to prevent metal staining

1.5 lb - #23715

Optimizer®

- Enhances water quality and softens water
- Reduces cloudiness in water

8 lb - #23770

Skim Mor®

- Stops debris and scum before it reaches your filter

5 Pack - #21401

CLEANING AND PROBLEM SOLVERS

Kleen It®

- Removes metal, dirt and scale from filter
- Cleans sand, DE and cartridge filters
- Spray or soak application

1 Quart - #23758

Strip-Kwik®

- Removes grease and oil from filter by acting as a shampoo
- Reduces maintenance costs
- Works on all filter types

1 Quart - #23756

Stow-Away®

- Cleaner and deodorizer that allows for storage of wet pool covers
- May be used to clean and store other poolside items

1 Quart - #23650

Off The Wall®

- Penetrates and removes tough grime, scale and deposits from pool and spa surfaces
- Non-abrasive, super-thick gel formula

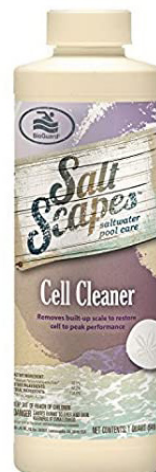

1 Quart - #23612

Chem-Out®

- Eliminates excessive chlorine, bromine or hydrogen peroxide residual
- Dissolves instantly
- Reduces pool downtime
- Can be used to convert pools to the SoftSwim® (chlorine-free) system

2 lb - #23647

SaltScapes™ Cell Cleaner

- Strong and highly effective formula
- Removes chalky white-calcium scale deposits from cell
- Works in as little as 15-30 minutes
- Easier to handle than other acid cell cleaners

1 Quart - #16020

NON-CHLORINE POOL PRODUCTS

SoftSwim® A

- The first step in the SoftSwim program prevents algae growth
- Works harder in higher temperatures
- Apply weekly or every two weeks

1 Quart - #22853

SoftSwim® B

- The second step in the SoftSwim program sanitizes your pool water
- Kills and controls bacteria, using biguanide
- Test and use every two weeks or as needed

1 Half Gallon - #22852

SoftSwim® C

- The third and final step in the SoftSwim program removes contaminants
- Helps keep pool water sparkling clear
- Built-in stabilizer ensures product does not burn off easily in hot weather
- Test and use on a monthly basis or as needed

1 Gallon - #22851

SoftSwim® Filter Cleaner

- Proprietary formula that works on filters of biguanide-treated pools
- Improves circulation and water clarity
- Use with all filter types
- Recommended use every four to six weeks

1 Quart - #22859

SoftSwim® Filter Aid

- Dual-purpose product works both as an aid and flocculent
- Rapidly clears a cloudy pool
- Removes suspended particles in water
- Use on an as-needed basis

1 lb - #22854

SoftSwim® Stain Control

- Prevents metals from settling and staining pool surfaces
- Use enhances the longevity of SoftSwim C
- Use at pool opening and on an as-needed basis

1 Quart - #23457

SPAGUARD® PRODUCTS

Bromine Concentrate

- Dual-acting as both a sanitizer and oxidizer, eliminates need for two products
- Easy to use, no pre-dissolving needed
- Apply directly to water while the pump is running

14 oz - #42602

2 lb - #42604

Bromine Tabs

- Dissolve slowly and protect continuously
- Ideal for heavy bather loads and commercial spas
- Apply in a brominator or in a floating dispenser

1.5 lb - #42608

Enhanced Shock

- Multi-purpose shock with four benefits in one: shock, clarifier, flocculent and pH buffer
- Restores water sparkle and removes unpleasant odors
- Treat and soak in as soon as 15 minutes*

2 lb - #42621

Spa Water Balancers

Having the correct pH level in your spa is crucial to your soakers' comfort and also protects your equipment from corrosion and scale.

POOL COVER PUMPS

Cover Care Pool Cover Pump - 300 GPH

- Magnetic Drive Motor
- Completely Submersible
- Easily Connects to any Standard 3/4" Garden Hose
- 1 Year Limited Warranty

#E170284

Little Giant Series 1 Pump - 205 GPH

- Magnetic Drive Motor
- A submersible pump.
- 6' cord.
- Can be used in standard duck ponds from 4 to 6 feet.

#G2081457

Pumps Away PRO 800 - 800 GPH

- Filter pad prevents clogging and corrosion, with submersible design for pool covers, pools and more
- Hooks to standard garden hose
- Pumps water to within 1/8 inch deep

#B07PG5B72J

Little Giant 1/3HP 115V - 1700 GPH

- Automatic pool cover drainage pump
- Activates in approximately 2 in. of water
- 25 ft. power cord
- Integrated handle for easy portability

#APCP1700

AUTOMATIC VACCUUMS

INGROUND VACCUUMS

Dolphin M400

The M400 provides highly efficient pool cleaning for pools up to 50ft in length. Advanced systems ensure accurate scanning for systematic coverage of floor, walls and water-line, leaving clean and hygienic water throughout.

#DOL-M400

Dolphin S300

Add convenience to your pool cleaning with the Maytronics Dolphin S300, which offers advanced features such as multi-layer filtration. This Maytronics Dolphin Robot's options include regular cleaning mode for a full clean in two hours or fast mode for efficient cleaning in half the time.

#DOL-S300

ABOVE-GROUND VACCUUMS

Dolphin S50

It's all swim, no work with the Maytronics Dolphin S50 robotic pool cleaner for above-ground pools. The Maytronics Dolphin S50, supported by Maytronics' 30 years of experience, leaves your pool floor clean and the water sparkling.

#DOL-S50

Lil Shark™

The 'Lil Shark cleaner features high-performance, two-way cleaning to vacuum even the toughest grime. Dual-band bristles scrub debris loose, while the powerful vacuum action whisks it away.

*Connects to pool skimmer
